

1.1 Registering WAS

1. The WAS program is distributed and maintained on a monthly subscription basis. To register WAS click on the **Help|Registration** option from the WAS main menu as shown in the figure below.

2. The following registration form will be displayed.

A screenshot of the 'Registration' dialog box. It contains the following fields:

- Serial no: 2822-D652
- Code: c084a49f - 37245 - 20/12/2001
- User details section:
 - Name: NB Systems
 - Address: PO Box 15102
 - Tel no: 082 854 7255
 - E-mail: nico@nbsystems.co.za

At the bottom of the form is a button labeled 'E-mail registration request' and a 'Close' button.

Figure 1.1: WAS registration

3. Fill in the details and click on the *E-mail registration request button* which will e-mail the details to `nico@nbsystems.co.za`
4. You will receive a registration code that must be captured in the corresponding *Code-boxes* on the registration form. The code is case sensitive.
